SOLVING CLIMATE CRISIS

THE POTENTIAL OF UNEQUAL LOSS IN CLIMATE GAME
KILLS TRUST AND CAUSES SINKING TOGETHER.

A scenic landscape featuring a vast green field in the foreground with several small, dark wooden houses scattered across it. In the background, there are dense forests covering rolling hills and majestic mountains under a bright blue sky filled with large, white, fluffy clouds.

everyone has something different to lose

first impression = trust

summer february

A wide-angle photograph of a mountainous landscape. In the foreground, dark silhouettes of trees and low hills are visible. The middle ground shows a range of mountains with their peaks partially illuminated by a warm, orange glow from the setting or rising sun. The sky above is a clear, pale blue.

solving climate crisis

The background of the image is a photograph of a mountainous landscape at sunset. The sky is a gradient from light blue at the top to orange and yellow near the horizon. Silhouettes of mountains are visible against the bright sky. In the foreground, dark green trees are silhouetted against the lighter sky.

hard to understand

A scenic landscape featuring rolling green hills under a cloudy sky. The foreground is partially obscured by dark, leafy tree branches. Overlaid on the scene is a large, white, sans-serif font text.

unequal money
in the beginning
in the end

A wide-angle photograph of a wind farm. In the foreground, a single wind turbine stands prominently on the left, its blades angled upwards. The field is covered in green grass, with some dark, plowed ground visible in the lower right corner. The background is a vast, clear blue sky. Numerous other wind turbines are scattered across the horizon, creating a sense of scale and renewable energy.
